## Virtual Mock AP Calculus AB Exam

**Saturday, March 13**  
**9 a.m.**

Advanced placement (AP) tests are considered the next best thing to SAT Subject tests which were discontinued by the College Board on January 19, 2021. The AP Calculus AB exam is given to high school students in grades 10-12 in May who elect to take advanced placement calculus to submit for their college applications. You must log in by 8:45 am and video must be turned on. We will simulate what it's like to take the actual test.

For grades 10-12 only. Registration is required and needs to be under your high schooler's name so they can score the exam. This program is sponsored by Zenith Tutoring.

## AP Courses and AP Exams 101

**Tuesday, March 16**  
**7 p.m.**

AP Exams are now trending more than ever. We've combined our two most talked about subjects - AP Courses and AP Exams! Learn from our expert:

- Why you should you take AP courses
- How can an average student take AP courses
- Difference between AP vs. Honors courses
- What is considered a good score on the AP Exam?
- Should you hide a bad AP Exam or AP Course score from colleges
- What are the recent changes to the AP Exams and AP Courses due to COVID-19

For grades 6-12 and parents. Registration required. This program is sponsored by Zenith Tutoring.
