

# Beanstack Sign Up Guide

Santa Clara City Library offers an online tool called Beanstack that children, teens and adults can use to track their reading and activity progress for our Reading Programs throughout the year!

1. To create your Beanstack account, go to [sclibrary.beanstack.org](https://sclibrary.beanstack.org)
2. Choose the register an individual or family button.
3. If you are a parent or caregiver, choose I would like to register a child. If you are an individual, you can choose to register yourself.
4. Enter the required information for the account creator. This account creator can have multiple readers in their account.
5. If applicable, enter the required information for a reader in your family.
6. Click the Next button to finish or to register additional readers.

Use Beanstack to track your reading and activities for the chance to win prizes!

1. To record your reading or activities, login to Beanstack and go to your Challenges.
2. If applicable, click on Change Readers to select another child.
3. To log an activity, select one from the Activities page and check the box or type your response into the text box. You will earn one badge towards completion!
4. To log a book or books, click on the number of books you have read. Title and author are optional. You will earn one badge towards completion!
5. Keep track of your activities or books throughout the reading challenge.
