BOOK CLUB - HOW TO BE AN ANTI-RACIST BY IBRAM X. KENDI

**Tuesday, June 30th
6:30 PM**

Join us for a book club discussion about the book How to be an Anti-Racist by Ibram X. Kendi. Over the past few weeks, you may have heard the term "anti-racist" being used. But what does that mean? It's more than just not being racist. It is a perspective that can help us examine how racism is woven through society in ways that are both obvious and insidious. Registration is required to participate in this book club discussion group.

Search full-text legal self-help reference books and print free legal forms. Many of the books and forms are from Nolo Press. Topics covered include business law, financial planning, family law, property & real estate and rights & disputes.
