#### DRIVE-THRU MENU MATH (FOR GRADES 3-5 ONLY)

Tuesday, Jan. 12 7 p.m.

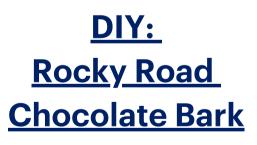

Drive-Thru takeout and ordering has seen a resurgence as the pandemic continues to linger. "May I take your order" will take on a whole new meaning in our Drive-Thru Menu Math webinar. Attendees will be our cashier taking customer's orders while also learning money math concepts. At the end of their "shift," our cashiers will be challenged to balance their register. This real-life webinar will be a fun, engaging way of learning math instead of solving problems in a math book.

For Grades 3-5 ONLY + Parents

Eventbrite registration is required.

This program is sponsored by the Santa Clara City Library Foundation and Friends.
