Five Little Unicorns

I saw five little unicorns
When I opened my door
But the blue one pranced away
And then there were four!
I saw four little unicorns
Sleeping near a tree
But the pink one pranced away
And then there were three!
I saw three little unicorns
Up in the sky so blue,
But the purple one pranced away
And then there were two!
I saw two little unicorns
And watched them run and run
But the white one pranced away
And then there was one!
I saw one little unicorn
As yellow as the sun,
But when I blinked my eyes
It pranced away
And then there were none

Most Magical of All

There are green alligators
And long neck geese
Humpy back camels
And Chimpanzees!
Cats, owls, and elephants,
Some are big and some are small,
But the one and only unicorn
Is the most magical of all!

Unicorn Song

By ITS Music

[Chorus]

You have to have
One horn to be a unicorn
A magical mythical horse
You have to have
One nose, two ears, four legs
And a rainbow tail, of course!
You have to have
One horn to be a unicorn
A fabulous, fantasy horse
You have to have,
Blue eyes, a heart of gold,
And a rainbow tail, of course!

Flying high, up in the sky,
Dancing in the air
Flying low, now down you go,
Prancing here and there

[repeat chorus]

Swooping high, up in the sky
Dancing in the stars
Swooping low now down you go,
Prancing near and far

[repeat chorus]
