STORYTIME

Here is Australia

Here's the emu straight and tall,
 Nodding his head above us all.
 Here's the long snake on the ground,
 Slithering on the stone he found.
 Here's the quokka cute as can be,
 Smiling big for all to see.
 Here's the platypus swimming around,
 Splashing water as he lands on the ground.
 Here is Australia far away,
 That's where our songs come from today!

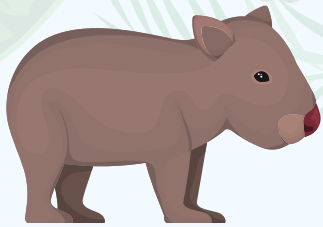

Koala Song

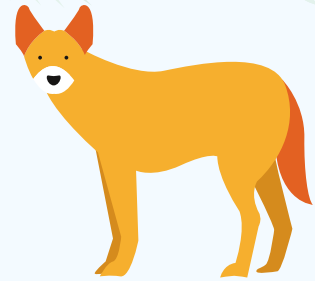

The koala goes climbing up the tree,
 up the tree, up the tree.
 The koala goes climbing up the tree, in Australia.
 The koala likes to munch on all the leaves,
 all the leaves, all the leaves.
 The koala likes to munch on all the leaves, in Australia.
 The koala goes scratching at his fur, at his fur, at his fur.
 The koala goes scratching at his fur, in Australia.
 The koala likes to wiggle his big wide ears,
 big wide ears, big wide ears.
 The koala likes to wiggle his big wide ears, in Australia.
 The koala likes to sleep all day long, all day long, all day long.
 The koala likes to sleep all day long, in Australia.

The Kangaroo

The kangaroo is very funny.
She leaps and runs and hops like a bunny.
And on her stomach is a pocket so wide.
Her baby can jump in and go for a ride.
The kangaroo is very funny.
She leaps and runs and hops like a bunny.
